Proposed Settlement Agreement, Clean Air Act Citizen Suit

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed settlement; request for public comment.

SUMMARY: In accordance with section 113(g) of the Clean Air Act, as amended ("Act"), 42 U.S.C. 7413(g), notice is hereby given of a proposed partial consent decree, which was lodged with the United States District Court for the Northern District of California by the United States Environmental Protection Agency ("EPA") on August 3, 1998, to address a lawsuit filed by the Sierra Club. This lawsuit, which was filed pursuant to section 304(a) of the Act, 42 U.S.C. 7604(a), addresses EPA's alleged failure to meet mandatory deadlines for acting on certain State Implementation Plan ("SIP") submissions for the San Francisco Bay Area under section 110 of the Act, 42 U.S.C. 7410. The proposed partial consent decree provides that the Administrator shall take action on certain of these rules in accordance with the schedule set forth therein.

EPA is also giving notice and soliciting public comment on an accompanying proposed partial settlement agreement resolving the remaining claims in the Sierra Club's Complaint. This partial settlement agreement provides that the Administrator shall take action on two additional rules within a specified time period.

For a period of thirty (30) days following the date of publication of this document, the Agency will receive written comments relating to the proposed partial consent decree and partial settlement agreement from persons who were not named as parties or interveners to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed partial consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determine, following the comment period, that consent is inappropriate, the final partial consent decree and partial settlement agreement will establish deadlines for specific actions under section 110 of the Act.
